Sean Krieger and his team of qualified estimators want to fill your open construction estimator position. We want to do any job that can be done at your firm remotely. We have experience, the work ethic, and we are thankful for any opportunity.

Strong Experience

- Over \$5B in estimates provided annually between all divisions
- Over \$100mil in estimates provided in our drywall and metal stud framing division
- Breakdown according to specifications, finish levels, phasing, and sizes
- Can provide other scopes, such as doors, hardware, and trim
- Can provide a complete takeoff for large-scale commercial and multi-family jobs
- Proficient in PlanSwift, OST, Bluebeam, Excel, McCormick and more.

Can We Help You?

Do you need?...

- Detailed takeoffs for square footage of work, counts of items, or more?
- Work broken down into phasing, per unit, or per building?
- Someone to manage online planroom invites such as Procore or Building Connected?
- Someone to scrape bid opportunities or find trade partners?
- Someone to get quotes from vendors such as wiring or fixture quotes?
- Misc. construction oriented remote work?

Make More Money

We work in lieu of an employee as a 1099 contractor

- No payroll taxes
- No health insurance
- No ancillary employee benefits
- No office expenditures
- \$18-30/hour for services
