**Sean Krieger and his team of qualified estimators want to fill your open construction estimator position. We want to do any job that can be done at your firm remotely. We have experience, the work ethic, and we are thankful for any opportunity.**

## Strong Experience

- Over \$5B in estimates provided annually between all divisions
- Over \$500M in estimates provided in our roofing and waterproofing divisions
- Breakdown according to specifications, material types, and details
  - Will match your formatting as needed
  - Can provide other scopes such as window installation, siding, and more
- Broad array of clients including roofers, caulking and sealing, spray applied waterproofing, and more
- Proficient in PlanSwift, OST, Bluebeam, Excel, and more

## Can We Help You?

### **Do you need?...**

- Detailed takeoffs, materials lists, and scope of work documents?
- Work broken down per building and per specifications?
- Someone to manage online planroom invites such as Procore or Building Connected?
- Someone to scrape bid opportunities or find trade partners?
- Someone to get quotes from materials vendors?
- Misc. construction oriented remote work?

## Make More Money

### **We work in lieu of an employee as a 1099 contractor**

- No payroll taxes
- No health insurance
- No ancillary employee benefits
- No office expenditures
- \$18-30/hour for services

## Hire Superior Talent

Our firm has over 1,000 applicants per month. We hire only 0.1% of all applicants. Tired of dealing with inexperienced employees in a tight labor market? Trust in our experience and depend on us filling a position as long as you are in business. Over the last year, we have maintained a strong track record of client satisfaction and have not lost a single client. Over 30% of our clients have referred us to colleagues. You are going to like this service.

We are a Christian organization!
